PRESS COMMUNIQUÉ

Fort St. George, August 23, 1927.

No. 46.—The Government have had under consideration the question of the abolition of postal voting in elections to the Madras Legislative Council and Indian Legislatures (from the Madras constituencies) and have also examined the remarks made by Collectors as a result of the experience gained by them during the last elections. Several of them are of opinion that the whole system of postal voting for elections to the Legislative Council and from the Madras constituencies of the Legislative Assembly to that Assembly should be abolished, as it is reported that the postal system affords much room for abuses and is unfair both to the candidates and to those responsible for the proper conduct of elections. Before arriving at a decision on the matter, the Government invite public opinion on the question and will be glad to consider all communications on the subject received by them on or before the 1st October 1927.

B.—Report on the audit of the accounts of the Andhra University for the period from the 19th August 1926 to the 31st March 1927.

There are four accounts maintained by the University Office with separate funds lodged in the Imperial Bank of India, Bezwada, and the object of each account is explained in the following paragraphs :—

1. *Statement A—General Account.*—(i) The Andhra University has been established with effect from the 26th April 1926 and has therefore to depend for meeting its general expenditure entirely on Government grants. The Government gave a grant of Rs. 1,00,000 towards the charges of the University for the year 1926–27, which was credited to the general account. A sum of Rs 600 received from Mr. P. Lakshminarayana for an oil painting was also credited to this account. The total expenditure incurred out of the Government grant of Rs. 1,00,000 during the year under report amounted Rs. 89,881-15-8 leaving a surplus of Rs. 10,133 which was reported to Government for abatement in the current year's grant. The expenditure under the several detailed heads is shown in statement A.

(ii) The bulk of the expenditure of this account during the year is on account of :

(1) Salary of the Vice Chancellor (Rupees 20,333-5-0),

(2) Salary of the Registrar and his establishment (Rs. 15,340-7-0),

(3) Travelling allowance of University members (Rs. 20,117-6-0) and

(4) Purchase of furniture (Rs. 10,350-12-6).

The account closed with a balance of Rs. 11,038 6-3, which agreed with the bank balance after allowing for outstanding cheques and for Rs. 100 with the Registrar as a permanent advance.

2. A sum of Rs. 405-10 0, being the cost of Clarke' Mathematical tables, supplied to candidates for reference during examinations, was originally met from the examination account with reference to the correct classification of the budget heads (vide item 10, page 12 of the budget) but at the close of the year the debit was transferred to the general account so as to meet the expenditure from the Government grant. Similarly Rs. 333-14 0, being the travelling allowance of members of the joint committee on the combined medical examinations of both the Universities (Madras and Andhra) originally met from the examination account was transferred to the general account though all the charges on account of combined medical examinations, such as travelling allowance of examiners, paper setters and remuneration to setters and examiners were debited to the examination account. The transfer of the above charges to the general account at the close of the year reduced the savings from the Government grant reported to Government for abatement in the current year's grant.

3. The cost of printing forms and registers for several examinations (about Rs. 450) and of stationery therefor was debited to the Government grant instead of to the examination account (vide item 7 of page 12 of the budget). This debit had also the effect of reducing the savings from the Government grant, as pointed out in paragraph 2 above.

4. *Purchase of furniture.*—A sum of Rs. 10,350 12-6, was spent on account of the purchase of furniture. Out of this amount Rs. 6,394 were paid to Messrs. Veeraswami Achari & Sons, Madras, for the supply made by the firm, and Rs. 1,580-4-6, to the Ramakrishna Mission in respect of the supply by the mission. Tenders were not invited for the large purchases made. The desirability of obtaining supplies by the invitation of competitive tenders and by calling for quotations from several firms was suggested in the monthly audit notes.

5. Travelling allowance was drawn by the Vice-Chancellor for his journeys to attend the annual celebrations of a college. It is doubtful if travelling allowance is admissible from the University funds in such a case.

6. *Statement B.—Examination Account.*—(i) Fees received in respect of University examination are credited to this account and all items of expenditure directly incurred on account of examinations are debited to it. The total amount of examination fees realized during the year was Rs. 31,757, and the total expenditure under the several heads amounted to Rs. 13,855-6 0. The remuneration to examiners has not been paid in the year under report. The account closed with a balance of Rs. 40,901-10-9, in cash with the Imperial Bank of India, Bezwada, which agreed with the balance in the Bank Pass book after allowing for a difference of Rs. 5,782-2-6 due to outstanding cheques.

(ii) A sum of Rs. 5,240-14-6, was paid from the examination account as remuneration to question paper setters. The detailed statement showing the names of setters, the subjects on which questions were set by each setter was not made available for audit as it was treated 'confidential' by the Syndicate. The correctness of the claim of each setter could not therefore be checked in audit.

7. *Statement C.—Foundation Fund Account.*—Donations and all fees leviable under the Act except examination fees, are credited to this account. No expenditure was incurred out of this fund on the ground that the fund should be treated as a 'Capital' account and in no case utilised with the exception of the interest realized thereon. The total receipts credited to this account during the year amounted to Rs. 96,875 11-7, out of which Government securities of the face value of Rs. 1,11,600, were purchased and Rs. 1,335-4-6, were realized as interest on the securities. A sum of Rs. 20,000 was received from the Guntur District Board in part payment of one lakh of rupees voted by the Board and sanctioned by Government as a donation to the University. The Kistna District Board which also voted a sum of three lakhs of rupees as a donation to the University has not yet paid any portion of the amount though it has been sanctioned by Government. As the Kistna District Board has since been bifurcated, an early settlement of this donation is desirable. The account closed with a balance of Rs. 2,544-3-6, in cash with the Imperial Bank and Rs. 1,11,600, in Government securities (3½ per cent Rs. 1,09,700) and 4 per cent Bonds 1900) lodged in the Imperial Bank for safe custody.

8. *Statement D.—Endowment Account.*—During the year under report, a sum of Rs. 1,33,452-8-9, in cash and Government securities of the face value of Rs. 2,000 were received as endowments for founding scholarships, awarding prizes, etc. A sum of Rs. 2,451, was realised as interest on the investments. Rs. 1,36,816-13-2, were invested during the year in Government securities of the face value of Rs. 1,43,400. The account closed with a balance of securities of the face value of Rs. 1,45,400; and a cash balance of Rs. 1,092-1-7, which agreed with the balance in the Bank Pass Book.

9. Certain suggestions regarding the amendment of the existing forms and registers were made in the audit notes forwarded to the Registrar for consideration and adoption with the approval of the Syndicate.

Madras, 18th August 1927.

OXFORD SCHOOL CERTIFICATE EXAMINATION, 1928

It is hereby notified that the Oxford School Certificate Examination will be held at Madras on or about the 10th July 1928.

2. The District Educational Officer, Madras District, Old College, Nungambakkam, is the Local Secretary for the conduct of the examination.

3. The details of subjects for the examination, the time-tables and the exemptions from the various examinations of the United Kingdom, which a candidate holding an Oxford School Certificate can secure, are set forth in the general Regulations for 1928 for Oxford Local Examinations, copies of which can be had from the Local Secretary after 15th September 1928. Requisitions for copies of Regulations, etc., should be accompanied by private stamps to meet the cost of postage for the reply.

4. The ordinary fee for the School Certificate Examination is minimum Rs. 33-12-0 (university fee £ 1-15-0 plus local fee Rs. 7-8-0) and maximum Rs 52-8-0 (university fee £3 plus local fee Rupees 7-8-0) Candidates who offer scientific subjects such as Physics, Chemistry, Botany, etc., and who have to take a practical examination will have to pay an additional fee of Rs. 2-8-0 for each subject in which a practical examination is held. The actual amount of the university fee will depend upon the number of candidates who enter for the examination. If more than seven candidates appear for the examination, the maximum university fee of £3 will be proportionately reduced. The local fee and the fee for the practical examination are inviolable.

5. Applications for the examination should be in the entry forms prescribed for the purpose.

6. The examination is open to all candidates whether male or female without limit of age, but no candidate will be eligible for Honours or distinction whose eighteenth birthday falls before the first day of the month in which he or she is examined.

7. School certificates are of two kinds A and B. Certificate A will testify that the holder has passed the examination and has been in attendance for at least three years at one or more 'approved' schools and will also record his course of study at school Certificate B will contain no reference to the place of education and will be awarded to successful candidates who have not attended an 'approved' school or who leave without completing three years' attendance.

8. The 'approval' of schools can take retrospective effect. A candidate's course of study has not to be recorded in the 'A' certificate, for each of three or more separate years, the entry being merely to consist of a statement of those subjects which he has taken regularly during his school life. The subjects taught in the 'approved' school need not therefore exactly correspond to those prescribed for the Oxford School Certificate Examination. The delegates deprecate, however, the addition of any subject which is not strictly educational, e.g., dancing. Heads of institutions who are desirous of having their institutions "approved" for presenting candidates for the Oxford School Certificate Examination should apply to the District Educational Officer Madras, who is the Local Secretary, through the District Educational Officers concerned, or the Inspector of European Schools, if the school is one recognized under the Code of Regulations for European Schools.

9. Applications for entry forms should be made to the undersigned after the 15th January next.

10. Candidates should send in their entry forms duly filled up and signed accompanied by money order or cheque drawn in favour of the District Educational Officer, Madras, on the Imperial Bank of India, Madras, Rs. 52-8-0 plus the practical examination fee for the science subjects which have a practical examination at Rs. 2-8-0 per subject, and the entry form together with the money order should reach the undersigned on or before 12th April 1928. If a sufficiently large number of candidates enter for the examination, the fee will be reduced and refund will be made of a portion of the fee paid. Candidates who intend to enter for any science subject in which there is a practical examination should notify their intention to the Local Secretary before 7th October next forwarding one-eighth of their examination fee, viz., Rs 6-14-0, and specifying the science subjects offered.

11. To ensure safety, the entry forms should be sent by registered post.

12. The place at Madras where the examination will be held will be notified later.

T. S. KRISHNAMURTHI AYYAR,
District Educational Officer and Local Secretary, Oxford School Certificate Examination.
